Sunday, Aug. 28;	8 am - Noon & 2-5pm
Monday, Aug. 29;	8 am - Noon & 2-5 pm
Tuesday, Aug 30;	8 am - Noon & 2-5pm
Wednesday, Aug 31;	8am - Noon & 2-5pm

All days and times are available via on line registration.

Cost is \$ 45/hour for four runs. Competitors may purchase more than 1 hour block but any particular vehicle may NOT be entered more than once within the same hour. Competitors are reminded that NTNT fees are non refundable & non transferable.

Competitors will NOT be required to complete a work assignment for the NTNT. The Nebraska region is using a portion of the entry fee to pay hired workers.

Tech: The NTNT will require competitors to tech their vehicles. If you have already been teched for Nationals you will receive a pass on this portion of the program. NTNT tech does not relieve the competitor's responsibility to check in for National Championship tech.

Grid: A traditional grid format will be followed. Grid Marshall will proceed from spot 1 to 30 and ask if you are ready to take a run, if you are you will be queued. If not, you will have to wait until the Grid Marshall returns to your spot. After all your runs have been taken you may leave the grid. There will be no more than 3 cars in line at any one time.

The NTNT will again donate to the Lone Survivor Foundation.
